

Pavan Rengade

Flutter & Full-Stack Developer

Pune, Maharashtra · +91 96046 99625 · pavanrengade25@gmail.com · pavan.rengade.in

SUMMARY

Senior software engineer with 3+ years of experience shipping production mobile and web applications. Currently building the ProfitBooks fintech app used daily by real businesses. I deliver complete products end-to-end — Flutter apps for iOS & Android from a single codebase, backends with Rails/Django, and integrations including Razorpay payments and AI chatbots.

EXPERIENCE

Senior Software Engineer

Mar 2024 – Present

ProfitBooks · Pune

- Develop and maintain the ProfitBooks mobile app (Flutter/Dart) — accounting, invoicing and financial reporting for iOS & Android.
- Implemented state management with Riverpod and integrated secure REST APIs for authentication and financial data.

Enterprise Automation Developer

Jul 2023 – Nov 2023

Xalta Technologies

- Built RESTful APIs and automated business processes for enterprise clients.

Web Developer Intern

Dec 2021 – Jan 2022

Elite Softwares

- Developed responsive websites with HTML, CSS, JavaScript and Bootstrap.

SKILLS

Flutter Dart Riverpod Firebase Razorpay Integration AI Chatbots (OpenAI/Claude) REST APIs Ruby on Rails Python · Django MySQL JavaScript HTML · CSS Bootstrap Git

SELECTED PROJECTS

- **ProfitBooks Mobile App** — production accounting & business management app (Flutter, Riverpod, REST).
- **E-Learning Platform** — cross-platform mobile + web app with courses, downloads and quizzes (Flutter, Rails).
- **Freelance demo portfolio** — 18 live product demos including e-commerce with Razorpay, booking systems, dashboards and AI assistants: pavan.rengade.in/#work
- **Employee Management System** — web app with RESTful APIs for HR operations (Python, Django).
